

## Delta Dental of Minnesota

Delta Dental offers the largest dental networks in the nation. No other dental carrier comes close to the size of our network, and accordingly, no other carrier can offer the same value and cost savings.

### Delta Dental Network Providers

#### Delta Dental PPO<sup>SM</sup> plus Premier<sup>®</sup>

#### Delta Dental PPO<sup>SM</sup> Network

Participating Delta Dental PPO<sup>SM</sup> dentists have agreed to the lowest allowable fee for service, so you will enjoy the greatest cost savings!

#### Delta Dental Premier<sup>®</sup> Network

The Delta Dental Premier<sup>®</sup> Network is the largest network in the country, with an average of four-out-of-five dentists participating. Premier network dentists have also agreed to a low fee for service.

#### Going Out-of-Network

Members have the freedom to choose any dentist, but by choosing a non-participating dentist they may encounter the highest out-of-pocket cost and likely will be balance-billed for dental fees.
