Your out-of-pocket costs depend on the network status of your provider. To check status, call Blue Cross customer service or visit [bluecrossmnonline.com](http://bluecrossmnonline.com).

\***Lowest out-of-pocket costs:** in-network providers

\*\***Highest out-of-pocket costs:** out-of-network providers (You are responsible for the difference between Blue Cross' allowed amount and the amount billed by nonparticipating providers. This is in addition to any applicable deductible or coinsurance. Benefit payments are calculated on Blue Cross' allowed amount, which is typically lower than the amount billed by the provider.)

This is only a summary. Read your Summary Plan Description for more information about what is and isn't covered. Services that aren't covered include those that are cosmetic, investigative, and not medically necessary or covered by workers' compensation or no-fault insurance.
